Please attach a legal description of the proposed development as listed in the deed records as a filed plat or parcel of land where other types of nonstandard water/sewer service is requested. Plat requirements include the name of subdivision, owner/developer's name, lot sizes and lot lines, lot numbers, right of way dimensions and dedicated utility easements, legal description, highway and county road numbers, total acreage, adjoining property owners, flood plain, and vicinity map. Instrument must show proof of ownership; preliminary plats are acceptable for discussion purposes but an "approved plat" must be provided before contract closing.

Check type of service application or development:

- Residential Subdivision     Multi-family     Mobile Home Park     Trailer/RV Park  
 School     Line Extension     Commercial/Industrial Park     Large Meter (=>1")  
 Multi-use Facility     Other

Please list all water demand criteria for each meter or meter equivalent, or attach any engineering studies completed for the proposed service:

Maximum number of proposed lots: \_\_\_\_\_ Range of standard lot sizes: \_\_\_\_\_

---

Acreage(s) \_\_\_\_\_

Please describe in detail the nature and scope of the project/development.

---

---

Initial needs \_\_\_\_\_

---

Phased and final needs, including a map showing each phase, and the projected land uses that support the requested level of service for each phase.

---

---

---

Please list any additional special service needs not listed above.

---

---

---

Please provide the flow, pressure and infrastructure needs for anticipated level of service requested, including line sizes and capacity.

---

---

Please provide the timeline for initiation of this service, and for service to each additional or projected phase following initial service, including a schedule of events leading up to the anticipated date of service. Specify this for all additional or projected phases.

---

---

Please describe how the utility may access the property during evaluation of application.

---

---

**Please attach the following information, as applicable:**

- A proposed calendar of events, including design, plat approval, construction phasing and initial occupancy.
- If applying for a single tap that requires a line extension, road bore, or upsizing of facilities, maps or plans detailing the location of the requested service installation and/or extension and details of demand requirements.

**Fees**

Corporation may require Applicant to pay a Nonstandard Service Investigation Fee of \$50.00 - \$3,000.00 depending on the scope of the Applicant's request to the Corporation in accordance with [Section G](#) of the Corporation's tariff for purposes of paying initial administrative, legal, and engineering fees. The Corporation will refund any balance that remains after it has completed its service investigation and has completed all legal and engineering services associated with processing a request.

In the event the Investigation Fee is not sufficient to pay all expenses incurred by the Corporation, the Applicant agrees to pay all additional expenses that have been or will be incurred by the Corporation and Corporation will have no obligation to complete processing of the Applications until all remaining expenses have been paid.

## Corporation's response to service request

The Corporation will prepare a written response to Applicant's service request within 90 days from the date the application was submitted, the required fees were paid, and all information the Corporation requested has been received. The Corporation's response will state the timeframe within which the requested service can be provided, and the scope (and cost if applicable) for which the Applicant will be responsible, which may include capital improvements, easements or land acquisition costs, and professional fees.

*Applicant has received and reviewed [Section F](#) of the Corporation's tariff and agrees to comply with all the requirements contained therein.*

*Under penalties of perjury, I declare that I have reviewed the information presented in this Application, including accompanying documents, and to the best of my knowledge and belief, the information is true, correct and complete.*
